§1184.1 Scope and purpose.

This statement of policy on motor carrier pooling applications implements section 20 of the Motor Carrier Act of 1980 [Pub. L. No. 96-296, 94 Stat. 793]. The Act's provisions are now contained at 49 U.S.C. 14302.

§1184.2 Contents of a pooling application.

A pooling application filed under 49 U.S.C. 14302 should include the following information:

- (a) An identification of all the carriers who are parties to the pooling agreement;
- (b) A general description of the transaction:
- (c) A specific description of the operating authorities sought to be pooled;
- (d) The basis to establish that the agreement is a genuine pooling arrangement (as opposed to a lease or interline arrangement);
- (e) A description of what applicants consider to be the relevant transportation markets affected by the proposed agreement:
- (f) The competitive routing and service alternatives that would remain if the agreement is approved, to the best of applicant's knowledge;
- (g) If there is a lessening of such alternatives, an estimate of the public benefits that will accrue from approval, or new competition that will arise, which would offset such lessening;
- (h) A narrative assessment of how the pooling arrangement will affect

present and future competition in the area, including a description of the projected volume of traffic, the revenues, and the commodities which will be subject to the pooling agreement;

- (i) Certification that rates set for traffic moving under the agreement do not violate the restrictions on collective ratemaking contained in 49 U.S.C. Subtitle IV and Board regulations;
- (j) A narrative statement as to the relative transportation importance of the pooling agreement as it would affect the public and the national transportation system;
- (k) If any known non-pooling carriers authorized to transport the subject traffic are not included in the pooling arrangement explain why, and explain whether inclusion would enhance or restrain competition;
- (l) A statement of the energy and environmental effects of the agreement, if any; and
- (m) Certification by applicant, or its representatives, that the representations made in the application are, to the best of applicant's knowledge and belief, true and complete.

As appendices, applicants must submit: (1) A copy of the pooling agreement; (2) a copy of the specific operating authority of each carrier which is the subject of the pooling agreement; and (3) a caption summary (for FEDERAL REGISTER publication) of the pooling transaction sought to be approved.

§1184.3 Processing pooling applications.

After the pooling application is received (not less than 50 days before the effective date specified in the pooling agreement), the Board will either reject it or determine initially whether the pooling agreement is of major transportation importance and whether there is a substantial likelihood that the pooling agreement will unduly restrain competition. If neither of these two factors is present, the application will be granted without further hearing. Where either factor is found to exist, the application will be published in the FEDERAL REGISTER using the

caption summary filed with the application, and a hearing will be scheduled (normally to receive written verified statements) to consider the issues further. In this second phase of the proceeding, the Board will consider whether the pooling agreement would be in the interest of better service to the public or of economy of operation and whether it will unduly restrain competition.

§1185.1 Definitions and scope of regulations.

(a) This part addresses the requirement of 49 U.S.C. 11328 authorization of the Surface Transportation Board (STB) needed for a person to hold the position of officer or director of more than one rail carrier, except where only Class III carriers are involved. STB authorization is not needed for individuals seeking to hold the positions of officers or directors only of Class III railroads. 49 U.S.C. 11328(b).

(b) When a person is an officer of a Class I railroad and seeks to become an officer of another Class I railroad, an application under 49 U.S.C. 11328(a) (or petition for individual exemption under 49 U.S.C. 10502) must be filed. All other "interlocking directorates" have been exempted as a class from the prior approval requirements of 49 U.S.C. 11328(a), pursuant to 49 U.S.C. 10502 and former 49 U.S.C. 10505. For such interlocking directorates exempted as a class, no filing with the STB is necessary to invoke the exemption.

(c) An *interlocking directorate* exists whenever an individual holds the position of officer or director of one rail carrier and assumes the position of officer or director of another rail carrier.

This provision applies to any person who performs duties, or any of the duties, ordinarily performed by a director, president, vice president, secretary, treasurer, general counsel, general solicitor, general attorney, comptroller, general auditor, general manager, freight traffic manager, passenger traffic manager, chief engineer, general superintendent, general land and tax agent or chief purchasing agent.

(d) For purposes of this part, a *rail carrier* means a person providing common carrier railroad transportation for compensation (except a street, suburban, or interurban electric railway not operating as part of the general system of rail transportation), and a corporation organized to provide such transportation.

§1185.2 Contents of application.

(a) Each application shall state the following:

(1) The full name, occupation, business address, place of residence, and post office address of the applicant.

(2) A specification of every carrier of which the applicant holds stock, bonds, or notes, individually, as trustee, or otherwise; and the amount of, and accurate description of, such securities of each carrier for which the applicant seeks authority to act. (Whenever it is contemplated that the applicant will represent on the board of directors of any carrier securities other than those owned by the applicant, the application shall describe such securities, state the character of representation, the name of the beneficial owner or owners, and the general nature of the business conducted by such owner or owners.)

(3) Each and every position with any carrier:

(i) Which is held by the applicant at the time of the application; and

(ii) Which the applicant seeks authority to hold, together with the date and manner of his or her election or appointment thereto and, if the applicant has entered upon the performance of his duties in any such position, the nature of the duties so performed and the date when he first entered upon their performance. (A decision authorizing a person to hold the position of director of a carrier will be construed as sufficient to authorize that person to serve
